

Howard of Effingham School
Provision Map 2015-2016

Please be aware that this provision reflects our current intake of students. Wave 2 and 3 provisions will depend on the student intake, staffing and resources.

Wave 1 Provision (Quality First Teaching) is the provision that is universal for all students. The majority of students needs will be met through this provision. This provision includes high quality teaching and learning.

Wave 2 (Targeted) Provision is additional, time-limited provision, normally in the form of small-group interventions to accelerate progress and enable students to work at age-related expectations. Wave 2 interventions are not primarily for students with SEN and students do not have to be on the Code of Practice in order to access these. These provisions will be put in place following careful analysis of progress data and/or teacher identification.

Wave 3 (Personalised) Provision is specific, targeted interventions for students with SEN who are identified as requiring additional support. This will be put in place when Quality First Teaching and Targeted Provision are not, on their own, enabling the student to make appropriate progress. This will involve provision such as focused teaching activities that tackle fundamental errors and misconceptions and enable the student to make further progress. As with Wave 2 interventions, students will be identified following analysis of progress data and/or teacher identification.

Quality First Teaching (Wave 1 Provision)	
<u>Curriculum</u> Appropriate and relevant curriculum	<u>Environment/Facilities</u> Curriculum areas Accessible facilities
<u>Staffing</u> Qualified teachers High quality lessons as shown by termly monitoring	<u>Support</u> Pastoral Teams – tutors, Year Leaders, Assistant Year Leaders, Year Managers
